

35th International Conference on Electrical Drives and Power Electronics

10th Joint Croatia-Slovakia Conference

September 22-24, 2021, Dubrovnik, CROATIA

EDPE 2021

The conference is jointly organized by:

- **KoREMA** **Croatian Society for Communications, Computing, Electronics, Measurement and Control**
- **FER** **University of Zagreb Faculty of Electrical Engineering and Computing**
- **FEI TU** **Faculty of Electrical Engineering, Technical University of Kosice**
- **SES** **Slovak Electrotechnical Society**

EDPE 2021 is 10th Joint Croatia-Slovakia conference which continues successful cooperation of Croatian and Slovakian scientists in organizing EDPE conferences.

The EDPE 2021 conference through its technical program will provide a unique opportunity for the academic and industrial community to address new challenges, share experiences and discuss future research trends. A broad range of topics is proposed, following current trends in the field of electric drives, power electronics and their applications.

EDPE 2021 will be held in Centre for Advanced Academic Studies (CAAS) situated at the edge of Dubrovnik Old City, what gives participants the opportunity to explore the Old City in the free time.

EDPE 2021 has IEEE Croatia Section, Croatia Section IE and PEL Chapters Technical Sponsorship.

Topics include (but are not limited to):

- **Power Electronics and Applications** – semiconductor devices, converters, control, thermal design, modeling and simulation ...
- **Electrical Drives and Machines** – design (CAD), control, sensors, modeling and simulation ...
- **Motion Control and Mechatronics** – Sensors and Observers, Industrial Drives Applications, Robotics, Robot Control,...
- **Other related topics**

The deadline for extended abstract upload is 2nd May, 2021.

We are expecting good epidemic situation until the start of the conference, but if live event is not possible, we will change to virtual form. EDPE 2021 is not going to be cancelled.

Accepted and presented papers fulfilling IEEE conditions will be included in IEEE Xplore database.

More detailed information regarding deadlines, paper submission procedure, registration fees, the conference venue and more can be found on the conference website:
